

THE WOMB SAUNA

Ancient Herbal Steam Medicine for Women

"There is a global womb crisis! I asked God to allow me to construct the Womb Sauna in a way that allows it to travel. I give thanks that I was gifted with that knowledge! Ladies another solution for your healing process is on its way to your city!

YOU ARE POWERFUL ENOUGH TO HEAL YOURSELF!"

What's Needed

These things make the experience POWERFUL for all:

- A minimum of 7 women per day requested
- Completion of appointment scheduling prior to my arrival
- An intimate environment like a home or intimate setting where women can comfortably change in and out of their clothing and freshen up
- Access to a restroom where cleaning of equipment and access to water is available
- Access to an electrical outlet
- Peaceful atmosphere where noise is minimal
- A comfortable waiting area for women waiting to be serviced
- An area where the Womb Sauna products can be displayed if ladies want to purchase them
- Towels for the ladies to wiped down with after sweating
- Water for the ladies to drink before and after the session
- 25% of services paid in full 48 hours prior to my departure, the remaining balance at my arrival.
- If the Womb Sauna is requested for multiple days or in a location further than 6 hours from Washington, DC, lodging and travel accommodations for the Womb Sauna Practitioner and any necessary staff is requested.

Our Commitment

Thema views this work as sacred. She is committed to:

- Tending personally to the needs of each woman while in the Womb Sauna
- Being prompt and timely for each clients scheduled time slot
- Being sensitive to the needs of each request and location
- Being respectful of the space used for the sessions
- Set up and clean up of space used
- To ensure the privacy of each client
